13. Thermostat centrally located on main floor

Colour Selection And Finishes:

All colour and finishing selections are to be made from the Vendor's samples. The Purchaser acknowledges and agrees that colour, shade, texture, appearance, grain, veining, natural variations in appearance, etc. of features and finishes installed may vary from the Vendor's samples as a result of normal manufacturing and installation processes and as a result of any such finishes being natural products and the Purchaser agrees that the Vendor is not responsible for same. The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, tiles, bath tubs, sinks, and other such products where the product manufacturer establishes the standard for such products. Nor shall the Vendor be responsible for the shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product and in these circumstances the product as manufactured shall be accepted by the Purchaser. The Purchaser acknowledges and agrees that carpeting (if any) may be seamed in certain circumstances and said seams may be visible. The Purchaser acknowledges and agrees that pre-finished wood flooring (if any) may react to normal fluctuating humidity levels inducing gapping or cupping. The Purchaser acknowledges that marble (if any) is a very soft stone which will require a substantial amount of maintenance by the Purchaser and is very easily scratched and damaged.

Notes:

1. The Vendor reserves the right, at the Vendor's absolute discretion, to substitute other products and materials for those listed in this Schedule or provided for in the plans and specifications provided that the substituted products and materials are of a quality equal to or better than, the products and materials so listed or so provided.
2. Exterior colour selections are architecturally controlled for the purpose of providing a pleasing streetscape. The Purchaser acknowledges that the number of steps at the front and rear may vary from that shown on drawings and a door from the garage to the home may not be installed due to grading conditions and municipal requirements.
3. All illustrations are artist's concepts and all dimensions, if any, are approximate. All specifications, dimensions and materials are subject to change without notice.
4. The Purchaser acknowledges that there shall be no reduction in the price or credit for any standard feature listed herein which is omitted at the Purchaser's request.
5. The Purchaser acknowledges that only the items set out in this Schedule are included in the purchase price and that any other furnishings and finishes contained in any model suite/home or the Vendor's sales presentation centre or any collateral material are for display purposes only and are not included or are represented in the purchase price.
6. Pursuant to this Agreement or this Schedule or pursuant to a supplementary agreement or purchase order, the Purchaser may have requested the Vendor to construct an additional feature within the dwelling which is in the nature of an optional extra (such as, by way of example only, a fireplace); if, as a result of building, construction or site conditions within the dwelling, the Vendor is not able to construct such extra, then the Vendor may, by written notice to the Purchaser, terminate the Vendor's obligation to construct the extra. In such event, the Vendor shall refund to the Purchaser the monies, if any, paid by the Purchaser to the Vendor in respect of such extra, without interest and in other respects this Agreement shall continue in full force and effect.
7. Specifications may change without notice. E.&O.E. May 2019.
